Expert Witness Referral

Expert Witness Referrals

Upon receipt of an overview, your case will be screened with a board-certified physician or appropriate qualified healthcare professional in the specialty of concern, and we will recommend the Expert best suited to assist on your case. We recommend this service for attorneys who prefer to work directly with the Expert.

You will receive:

A Curriculum Vitae will be provided, along with the Expert's fee for review and consultation. You can then send the records to the Expert for an objective review. If for any reason you are not satisfied with the referral, a replacement will be provided at no additional cost.

Direct Witness Referrals

Upon receipt of an overview, we will determine the appropriate board-certified physician or healthcare professional who would be best qualified to assist with your case, and allow you to contact the Expert directly to discuss the case.

We recommend this service for attorneys who want the convenience of our help in locating an Expert, but prefer not to have a relationship established between our firm and the Expert.

You will receive:

A Curriculum Vitae will be provided, along with the Expert contact information, so that you make the initial introduction of your case with the Expert. If for any reason you are not satisfied with the referral, a replacement will be provided at no additional cost.

Case Evaluation

Preliminary Case Evaluation

The Preliminary Case Evaluation is performed by a practicing physician, with strong experience in medical-legal medicine. The Preliminary Evaluation addresses the potential merits of your case, with a recommendation of the Expert(s) that will be required if you decide to further investigate the case.

You will receive:

A report on Saponaro, Inc., letterhead that will address the general merits of the case and a recommendation for the type of Expert you will need to pursue the case, if warranted.

Comprehensive Case Evaluation

The Comprehensive Case Evaluation is conducted by a practicing, and board-certified physician, in the specialty of concern and/or appropriate healthcare professional.

This Comprehensive Evaluation speaks to the specific merits of the case, and if the case is favorable, this forensic report will outline the deviations from the accepted standards of care, outline the care that should have been provided, and if able, what effect the negligence had on the outcome. The report will also recommend other specialists that will be required to assist in pursuit of your case.

You will receive:

A report on Saponaro, Inc., letterhead that will address the merits of the case. If the case is favorable, an Expert referral will be arranged. The Expert that reviews your file is willing to support their opinion through deposition, video deposition and/or trial.

RN Chronology

How it works:

Upon receipt of all medical records, a nurse will provide the following services:

- Establish timelines and chronologies of events
- Clarify medical history prior to an injury in question
- Explain injuries related to an accident/injury
- Assist medical experts in analysis of the electronic medical records
- Outline potential deviations and potential defendants
- Explain medical issues and terminology
- Recommend the type of Expert needed to pursue the case
- Conduct literature research

"My firm has been working with Saponaro, Inc. for over thirty years. Whether it is a Comprehensive Case Evaluation or the retention of an expert in medical malpractice cases they have always been thorough and expedient. We have had great success with the experts they have recommended to us."

Frequently Asked Questions

I can find an Expert on the Internet... why should I use Saponaro, Inc.?

Acquiring Experts from pay-to-search databases is ineffective, inefficient and time consuming. You should use Saponaro, Inc., because we are accountable for our Experts. We know the Expert's track record; we know the Expert's background; and we know that our Experts are willing to support their opinions. We take the "guesswork" out of obtaining an Expert.

What is your turnaround time for providing a witness or case review?

Our turnaround time to refer an Expert can be same day service if you are under a "state of emergency," but we normally require 2 to 5 working days. Our turnaround time for a case review and written report is normally 5 to 6 weeks, but we offer rush verbal reports if you have time constraints.

How does Saponaro, Inc., determine which Expert will have the experience and expertise to address my case?

We will screen the facts of your case with potential Experts, and recommend the individual best suited to assist you. If for any reason, at any time, you are not satisfied with the referral, a replacement is made at no additional cost.

How does Saponaro, Inc., save me time and money?

We take the workload off your desk and can meet the strictest of deadlines. Therefore, you can use your time and staff on preparations, etc., while we handle the evaluations for merit or screen your case with Experts.
